Gamma Alpha Omega Sorority, Inc

In 2010, our Sorority changed our nondiscrimination policy to include gender expression and gender identity to include anyone who identified as a female. In recent weeks, our Sorority continues to be a pioneer through inclusive and innovative practices. At the most recent House of Delegates meeting at the 22nd National Convention in Milwaukee, WI, our national, regional, and chapter leadership adopted LGBTQ+ inclusive language and terminology in all National Governing documents.

Lambda Phi Epsilon International Fraternity, Inc

During the 29th Convention of the Lambda Phi Epsilon International Fraternity, the House of Delegates, the Fraternity's legislative body, ratified an amendment to the Constitution to define gender identity explicitly, and to allow all those who identify as male to be eligible for membership in the Fraternity.

“Lambda Phi Epsilon has prided itself on being a progressive organization, and this action, taken at the behest of the active membership, is a testament to that progressivism,” said International President William Tan. “I am proud of the membership, and their dedication to the principle that leadership among men should be open to all men.”
